The High Technology Crime Investigation Association (HTCIA) is one of the oldest, largest and most prestigious high technology crimes non-profit organizations in existence today. HTCIA's primary focus is to encourage, promote, aid and effect the voluntary interchange of data, information, experience, ideas, and knowledge about methods, processes, and techniques relating to high technology crime and cybercrime. We offer 16 distinct lectures over 4 days with social and professional networking amongst industry experts and vendor showcases.

Agenda Highlights Include:

- Daily Keynote presentations – Case studies, panel presentations, and big ideas
- Investigations/Cyber Track –Tools that you and your staff can put into use right away
- Legal/Ethics Track – Legal updates from experts
- Forward Looking – Interactive presentations on what is coming next

Check out the full agenda online [here!](#)

Are you ready to register?

1. Establish the size of your group – collect name, email address, and title
2. Email the attendee list (as an Excel or CSV file) to: canadacybersummit@htcia.org
3. Our staff will process the registrations, apply your discount, and email you an invoice
4. Pay via credit card, check, or EFT
5. Enjoy 16 hours of programming – live or on demand!

Membership Information

The non-member registration rate includes one year of membership (through March 31, 2022). The discount is a flat percentage off the top of your total cost, so we are able to process members and non-members in the same registration batch. If your group includes non-members, we will follow up with an additional request for information from those individuals in order to set up their new member profile.
